# H<sub>2</sub>O FUND

The Help To Others (H<sub>2</sub>O)  
Water/Wastewater/  
Stormwater Assistance Fund  
Program Overview

# THE H<sub>2</sub>O FUND

On April 1, 2011 Halifax Water established the H<sub>2</sub>O (Help To Others) Fund program to assist customers in need of financial assistance related to their water/wastewater/stormwater bill. Since the program's launch, hundreds of customers have benefited from the fund.

## How is this program funded?

The program is funded by Halifax Water and its employees, and administered independently by The Salvation Army. Halifax Water provides base funding for the program in the amount of \$25,000 annually. Halifax Water employees also contribute to the H<sub>2</sub>O program with funds donated by employees matched by Halifax Water.

## Am I eligible?

The H<sub>2</sub>O Fund is not a rebate program. It is intended to assist households in an emergency, especially those with no other resources available. The H<sub>2</sub>O Fund assists with the cost of residential water, wastewater and stormwater service.

Maximum annual income eligibility:  
Single Income Household: \$21,000  
Family Income Household: \$39,000

Anyone seeking assistance must complete and submit the H<sub>2</sub>O Fund application with the required supporting documents. The forms can be found online at [www.halifaxwater.ca](http://www.halifaxwater.ca) and [www.salvationarmy.ca/maritime](http://www.salvationarmy.ca/maritime) (see programs tab). Forms are also available at Halifax Water's 450 Cowie Hill Rd. office, Salvation Army's Gottingen St. location, and all Halifax Regional Municipality Customer Services Centres.

Applicants are only eligible to receive assistance if:

- They meet the income threshold,
- The account is in their name,
- Payments on the account are made directly to Halifax Water and not included in rent.

## How much money is available?

Applicants are eligible to receive a maximum of \$275.00 once in a 24 month period.

## How do I apply?

To apply for assistance from the H<sub>2</sub>O Fund, applicants must complete the application form and provide supporting documents.

The Salvation Army receives and reviews all completed applications and determines which applicants will receive support. All applicants will be contacted by Salvation Army staff to let them know if they will or will not receive assistance.

## If approved, how will I receive this assistance?

Applicants who receive assistance will have the funds applied directly to their Halifax Water account.
